

Day 1

CUHK SUMMER WORKSHOP for Introducing Pharmacy Research Postgraduate Programmes & HKPFS Scheme

~·~ *Pursuing A Rewarding Career In Research* ~·~

4 July 2017 (Tuesday) | 9:30AM – 5PM

Lecture Theatre, G02, Lo Kwee-Seong Integrated Biomedical Sciences Building (LKIBSB), Area 39, CUHK

Time	Event	Presenter
09:30 – 10:00	Registration	
10:00 – 10:05	Opening Remarks	Prof. Joan ZUO Director, School of Pharmacy, CUHK
10:05 – 11:00	Launching Your Research Career <i>Highlight:</i> - <i>How to develop a career as a researcher</i> - <i>Career opportunities in the research field</i>	Prof. Vincent LEE Research Professor, School of Pharmacy, CUHK
11:00 – 11:10	Group Photo Session & Break (<i>School Lab Tour Registration @ Reception Counter</i>)	
11:10 – 12:10	Pharmacy Research at CUHK	CUHK Pharmacy Professors
12:10 – 14:00	Lunch with CUHK Pharmacy Professors and Current Pharmacy Postgraduate Students <i>Highlight:</i> - <i>Experience sharing and discussion</i>	CUHK Pharmacy Professors & Current Pharmacy Postgraduate Students
14:15 – 15:15	Study at CUHK <i>Highlight:</i> - <i>Introducing the School of Pharmacy</i> - <i>Introducing Research Postgraduate Programmes</i> - <i>HKPFS, studentships, travel grants & scholarships</i> - <i>Overseas Conferences</i> - <i>Admission procedure</i>	Prof. Joan ZUO Director, School of Pharmacy, CUHK
15:15 – 15:30	CUHK AAPS Students Chapter Presentation	CUHK AAPS Students Chapter
15:30 – 15:45	Closing Address	Prof. Joan ZUO Director, School of Pharmacy, CUHK
	<i>School Lab Tour (by registration, max. quota: 50)</i>	<i>Current Pharmacy Postgraduate Students</i>
15:45 – 17:00	Symposium Preparation	<i>Symposium's Poster Participants</i>
	Shuttle Bus Time Schedule 16:00, 16:30, 17:00	Area 39 → MTR Station

Day 2

12th PharmSci@Asia Symposium

~ ~ *Innovating Pharmaceutical Sciences, Advancing Health Care* ~ ~

5 July 2017 (Wednesday) | 8:30AM – 5:30PM

Lecture Theatre, G02, Lo Kwee-Seong Integrated Biomedical Sciences Building (LKIBSB), Area 39, CUHK

Time	Event	Presenter
08:30 – 09:00	Registration	
09:00 – 09:10	Welcome Address	Prof. Joan ZUO Director, School of Pharmacy, CUHK
09:10 – 09:20	Opening Address	Dr. ONG Pei Shi Lecturer, Department of Pharmacy, NUS Faculty advisor, AAPS-NUS Student Chapter
09:20 – 09:30	Group Photo Session	
09:30 – 10:00	Faculty Speaker 1	Asst. Prof. LIN Haishu Department of Pharmacy, NUS "Naturally occurring stilbenes beyond resveratrol: superior anti-inflammatory potencies and favorable pharmacokinetics"
10:00-10:45	Student Speakers 1	WANG Qianwen School of Pharmacy, The Chinese University of Hong Kong "Translational Pharmacokinetic Model for the Predictions of DB213 Nose-to-brain Transport"
10:15-10:30	Student Speakers 2	Zhou Qiao China Pharmaceutical University, Nanjing, China "An in vitro herb-drug interaction approach on HPLC fingerprint comparison in liver microsomes and its validation in rats using Shensong Yangxin Capsule and Verapamil"
10:30-10:45	Student Speakers 3	Quy Thi Ngoc Tran Department of Pharmacy, National University of Singapore, Singapore "Towards the development of novel inhibitors for Chikungunya virus infection"
10:45-11:15	Coffee Break and Poster Viewing	
11:15-11:45	Faculty Speaker 2	Assoc. Prof. LEE Wing-Yan, Vivian School of Pharmacy, Assistant Dean (Student Development), Faculty of Medicine, CUHK "The Impact of Pharmacy Outreach on Atrial Fibrillation Detection, Knowledge, and Medication Adherence in Hong Kong Elderly"
11:45-12:00	Student Speakers 4	HUI Ka Ho School of Pharmacy, The Chinese University of Hong Kong "Prediction of subject classification performance of mixture model in NONMEM"
12:00-12:15	Student Speakers 5	LIM Seng Han Department of Pharmacy, National University of Singapore, Singapore "Effect of Microneedle Geometry and Body Curvatures on Skin Penetration for the Development of a 3D-Printed Personalised Microneedle Eye Patch"
12:15:12:30	Student Speakers 6	Xiaohui Wei China Pharmaceutical University, Nanjing, China "Adipocytes-derived Collagen Reorganization in Microenvironment Promote Breast Cancer Metastasis"
12:30-13:00	Faculty Speaker 3	Asst. Prof. WEE Hwee-Lin Department of Pharmacy, NUS "Paying for Stratified Medicine: Seeking A Delicate Balance"
13:00-14:15	Lunch and Poster Viewing	
14:15-14:45	Faculty Speaker 4	Asst. Prof. LEE Wai Yip, Thomas School of Pharmacy, CUHK "Drug Delivery for Proliferative Vitreoretinopathy"
14:45-15:00	Student Speaker 7	HIEW Tze Ning Department of Pharmacy, National University of Singapore, Singapore "Excipient Selection in Tableting: The Importance of Making a Judicious Choice"
15:00-15:15	Student Speaker 8	LI Ho Yin School of Pharmacy, The Chinese University of Hong Kong "Oligonucleotides-conjugated Poly(ethylene oxide)-block-poly(ϵ -caprolactone) (PEG-b-PCL) Nanoparticles as Drug Carriers Targeting Scavenger Receptor Class A"
15:15-15:45	Faculty Speaker 5	Dr. ONG Pei Shi Department of Pharmacy, NUS "Combinatorial Therapy Incorporating Histone Deacetylase Inhibitor (HDACI) For More Effective Cancer Treatment"
15:45-16:15	Afternoon Tea and Poster Viewing	
16:15-16:30	Student Speakers 9	Thu Ya Win LWIN Department of Pharmacy, National University of Singapore, Singapore "Increased FAM3C Expression Promotes Proliferation and Metastasis of Lung Cancer Cells through Activation of RalGDS/RalA Signaling Pathway"
16:30-16:45	Student Speaker 10	Chen Shi China Pharmaceutical University, Nanjing, China "Cooperative down-regulation of ribosomal protein L10 and NF- κ B signaling pathway is responsible for the anti-proliferative effects by DMAPT in pancreatic cancer cells"
16:45-17:15	Faculty Speaker 6	Assoc. Prof. CHEW Eng Hui Department of Pharmacy, NUS "The thioredoxin system – a friend of foe in disease states"
17:15-17:25	Awards Ceremony	
17:25-17:35	Closing Address	Ms. FOO Wen Chin Chairperson, AAPS-NUS Student Chapter
