No hats too many for superwoman Teresa

Mrs. Teresa Ang recently retired from the National University of Singapore after 50 years of service with the Department of Pharmacy. A daughter, wife, mother, lab technologist, then student during her 40s – be inspired by how Teresa juggled the many hats she wore, including a chef's hat now that she has retired!

We are proud to launch our flagship mentorship programme, InSPIRxE (Inspiring Students in Pharmacy and Pharmaceutical Science through Interactions and Enrichment) this month! Organised by NUSPS Academic Committee and NUS Pharmacy Alumni Group, this inaugural run is grateful to have 16 alumni mentors to coach 40 undergraduate mentees for the next 9 months in developing themselves professionally and finding their #PassionPridePurpose. The programme kickstarted with a networking session on 7 July 2021, captured in this photo collage. Stay tuned for future updates where we will share tips and advice from our mentors to all readers!
