Transforming Healthcare - Medicine for the Future

COVID-19 has drastically changed the way healthcare works. In this article, we learn from Ms Evelyn Pang (Class of '04), General Manager of Moderna Singapore, about how industry-based pharmacists such as herself are transforming healthcare. Continue reading to find out how Evelyn's curiosity, boldness, and relentlessness has enabled her to progress in her career and create a positive impact on patients in Singapore and beyond.

OUR ALUMNI...JOURNEYING BEYOND

**Beyond the Dispensing Counter:
Making a Difference through
Innovations and Technology**

WHAT'S UP

**Master of Pharmacy (Clinical
Pharmacy) at NUS!**

The work of a pharmacist goes beyond dispensing medications behind a counter. Let's take a closer look at how Mr Hwang Yi Kun (Class of '16), a “Bisphosphonate”, makes a difference by innovating and using technology to improve medication services as we transit into a technologically-driven world.

WHAT'S UP

Pharmacy and Pharmaceutical Science Outreach 2023

The NUS Open House and Department Engagement Day for Pharmacy and Pharmaceutical Science programmes were conducted from February to April 2023. The events encompassed both virtual presentations and in-person activities where prospective students had the opportunity to interact with faculty members and invited speakers both virtually and physically.

WHAT'S UP

Short courses for healthcare professionals

The Department is delighted to bring back the short courses after a short hiatus. Over the past 2 months, we conducted 2 short courses for healthcare professionals - Pharmacy-based Immunization Delivery Certificate Training Program and the Cardiometabolic, Renal & diabetes Optimisation Unified Services (C-RIOUS) Workshop.

FROM THE RESEARCHER'S BENCH...

Wonders of Pharmacy: The power of bioinformatics

Data science and machine learning gained traction in recent years and Dr Liu Boxiang is amongst many researchers leveraging this technology to gather insight into biological problems. Read more about what his team is developing.

[Read more](#)

Know Your Medicines, Get It Right! @ North West was held at the end of February, comprising a large variety of activities from educational games to medication reviews. It was a fulfilling and meaningful day for all involved, from student volunteers to the elderly participants!
