Department of Pharmacy, Faculty of Science, NUS MSc (Pharmaceutical Science & Technology) [MPST] Programme Candidature Conversion Application Form

Important Note to Students

- 1. Application is only for Continuing & Professional Education (CPE) students who chose MPST 'stackable' route, and wish to convert to their candidature to admit in MPST programme.
- 2. Eligible applicant has to fulfil the conversion requirements, i.e. complete **at least 5 prescribed courses** under MPST curriculum, with a **minimum GPA of 3.00** met.
- Regarding the validity period for unit and grade transfer of the MPST courses completed under CPE career, all these courses taken must be completed <10 years before date of admission into MPST programme upon successful candidature conversion.
- 4. All fields in this application form must be completed. Incomplete forms will not be considered and processed.
- 5. A scanned copy of the completed form and student's transcript are to be submitted to Mr Steve Tay at askMPST@nus.edu.sg. Student will be notified on the outcome of their application via email.

SECTION 1: TO BE COMPLETED BY STUDENT
